F.A.Q's *and suggestions*

~ WHEN SHOULD I PLACE MY ORDER?

We recommend placing the order a minimum of 8 months in advance of the wedding or 3 months before the desired date for delivery of the invitations, considering that personalized sets are produced in approximately 60 days and catalog sets in approximately 45 days.

~ HOW SHOULD I PLACE MY ORDER?

You can write an email to papyros.studio@gmail.com, call us, make a video call or come and visit us at our studio in Turin. We will provide you with a form that you will need to fill out indicating wedding details, contact information, chosen coordinates, accessories, changes to be made, quantity and other details. Once we have received the completed form, we will indicate the final quote. If you like our proposal then we proceed to sign a contract and "block the service" with an advance of 40% of the final cost. After these steps we start working and in a few days you will receive the first graphic proposal.

~ ARE THERE URGENT ORDERS?

Yes, if the first contact occurs within 45 days before the desired date for delivery of the invitations, with an additional supplement of 150 euros your order can be completed in a maximum of 30 days.

~ IS THERE A MINIMUM ORDER?

There is a minimum order of 50 pieces ONLY for letterpress and hot stamping prints. If you wish to have letterpress or foil prints for quantities of less than 50 pieces, the quote will still start from the production costs of 50 units

~ CAN CATALOG MODELS BE MODIFIED?

Absolutely yes! All models can be further modified with an additional surcharge to be assessed based on the graphic work behind the modifications

~ SHIPPING

We make national and international shipments with express courier. Definitive costs and timing are to be evaluated for each order based on the final destination and weight of the elements that make up each package
